Dear Sir:

In order to comply with 37 CFR 1.97 and 1.98, a copy of Form PT-O 1449 is attached.

In accordance with MPEP 609 and 707.05(b), Applicants respectfully request that each document listed be given thorough consideration and that the Examiner cite each document of record in the prosecution history of the present application by initialing form PTO-1449 next to each document. Applicants request such initialing even if the Examiner does not consider: (1) a listed document to be sufficiently pertinent to use in a rejection; (2) a document to be prior art for any reason; or (3) that the guidelines for citation have been fully complied with respecting a particular document. Applicants make this request so that each document becomes cited on the face of a patent issuing on the present application.

Applicants submit the present Information Disclosure Statement in compliance with the duty to disclose information material to patentability under 37 CFR 1.56, but by listing such documents Applicants are not admitting that such documents are necessarily relevant or prior art. Applicants intend no representation that the listed documents represent the results of a complete search. Applicants anticipate that the Examiner, in the normal course of examination, will make an independent search to

determine the best prior art consistent with 37 CFR 1.104(a) and 1.106(b) and, in the course of such search, will review for relevance every document listed on the attached Form even if not initialed.

It is believe that this IDS is being filed before the mailing of a first Office Action on the merits (37 CFR § 1.97(b)(3)). Accordingly, Applicant does not believe any fee or certification is required. In the event that a first Office Action on the merits has been issued, please consider this IDS under 37 CFR § 1.97(c) and charge Deposit Account No. 01-1125 the fee in the amount of \$180.00 as required by 37 CFR §1.17(p).

If it is determined that this IDS has been filed under the wrong rule, the PTO is requested to consider this IDS under the proper rule (with a petition if necessary) and charge the appropriate fee to Deposit Account No. 01-1125. Please charge any additional fees or credit any overpayment pursuant to 37 CFR §1.16 or §1.17 to Deposit Account No. 01-1125.

Applicants earnestly solicit early and favorable consideration. If the Examiner should have any questions with regard to this filing, he or she should contact the undersigned attorney at (949) 788-9961.
